Check back Mondays for the latest!

Attendance Incentive

Your club or class *should* be exciting enough for the children to want to come back on their own. But you can make it even more fun by offering incentives.

If you have a little wall space to spare for each child, build a picture of a lesson-related object, adding a piece for each day attending. It could be a picture of a single object or a group of objects.

Examples:

- If teaching on the armor of God or spiritual warfare, build a soldier wearing armor or add an arrow sticking in a shield.
- Add an animal going into the ark when teaching on Genesis.
- For the prophets, you can add scrolls.
- While studying the life of Christ, put objects such as a manger, boat, cross, or an empty tomb.
- Add a church building during lessons on Paul.

Be creative and make it exciting for the children to eventually complete their picture!
